

# Welcome To Prostate Cancer What's Next

A Conference Dedicated to the Memory of Dr. Peter Lindberg

November 4, 2017

*Presented by*

**The Prostate Cancer  
Support Association  
of New Mexico**

with the generous support from

**Albuquerque Urology Associates  
Janssen Biotech  
Prolaris/Myriad Genetics**

# Housekeeping

- Phones on vibrate
- Food and drink is not permissible in the theater nor classrooms.
- Bathrooms are available down the east hall off the lobby.

# **The Prostate Cancer Support Association of New Mexico**

- **Founded in 1991 by Von Rae Shipp.**
  - We've been here for 26 years
- **Purpose is to provide education about Prostate Cancer and support to New Mexican men and their families.**
- **This Forum is part of our educational efforts.**
  - This is our 6<sup>th</sup> Conference

# Conference Objective

**Diagnostics and treatments of prostate cancer have advanced significantly in the past 10 years and will continue to evolve.**

**We want to:**

- Provide information about the current state and future of diagnostics and treatment**
- Help men make better decisions about their futures in light of these developments**

# Program

## Morning

- History of Prostate Diagnosis and Treatment to Date — Dr. Andrew Grollman, AUA
- Current Scanning Tools — Dr. Stephan Eberhardt, UNM
- The Key to Prostate Cancer — Pathways to Personalized Care — Dr. Mark Scholz, Prostate Oncology Specialists

## Afternoon

- Risk Assessment Panel
  - Prostate Next — Ambry Genetics, Brooke Overstreet
  - Prolaris & MyRisk — Myriad Genetics, Dr. Steve Stone
  - Oncotype DX — Genomic Health, Dr. Bela Denes
  - 4Kscore Test — BioReference Laboratories, Dr. Mohit Mathur
- Breakout sessions
- What's Next? — Dr. Thomas Schroeder, UNM Cancer Center

**Each speaker has ~35 minutes for their presentation. You will have 10 minutes to ask questions. Please wait for the moderator to acknowledge you if you wish to ask a question.**

# Breakout Sessions

**This afternoon at 2:15 we will start two 45 minute  
“Breakout Cycles”.**
